Dear Sir:

In response to the Office Action dated November 14, 2003, please consider the following remarks.

**REMARKS**

The office Action set forth a restriction requirement. In particular, the Office Action found that applicant's instant application contains the following groups of inventions which are not linked as to form a single inventive concept under PCT Rule 13.1: Group I, claim(s) 1-31, drawn to method for assembling a slider onto fastening strips and Group II, claim(s) 32-117,
